Mr. John Davis,
336 Broadway,
Schenectady, N. Y.

Dear Sir:

Your wire received this Morning.

We are making every effort to have you transferred to Newark. I wish you would keep in touch with me, just drop a penny postal card in the box if you should leave Albany to play ball out of town, in case we get things arranged we will know where to locate you. Do not be surprised to hear from me any day.

Very truly yours,
